Ben Silverman is a partner in our Corporate and Securities practices. Ben has over 20 years of experience in corporate finance and securities law, as well as mergers and acquisitions.

Ben has represented underwriters and issuers in public and private debt and equity offerings, debt tender offers, consent solicitations, exchange offers and public and private acquisitions. He has represented clients in the United States and abroad in various sectors, including telecommunications, healthcare, aviation and consumer products. He also advises clients with respect to corporate governance and Sarbanes-Oxley matters.

Before joining our firm in 2007, Ben was a partner in the New York and Hong Kong offices of leading international law firms.
